"ALL gave us the kitchen of our dreams. They listened to our ideas and created exactly what we wanted. ALL workmen were professional and considerate thru the entire process. The quality ALL provides is remarkable! The crew leader made the process easy and comfortable. They finished on time and on budget! We get rave reviews from all our friends and neighbors when they see our beautiful and modern kitchen. We highly recommend that anyone interested in remodeling call ALL Renovation & Design for a consultation."

did you know?

Awnings can seriously reduce your energy costs. A recent study done by the University of Minnesota found that air conditioning costs could be lowered by up to 30% with a properly installed awning.

THEY make R&A possible!

We just moved into a new home and our pantry as well as all of our closets have ugly wire racks. We are looking to replace them with a high-quality, attractive custom closet system that will help us stay organized, but we don't want a lot of unnecessary expense. Can you let me know a little more about your company and what separates you from your competition please? Also, we are big fans of "made in the USA".

Yes, I'm happy to help! Victory Closets is family owned and operated (by myself and my husband), and our product is locally manufactured in Hamburg, Pennsylvania. We keep our pricing simple, straightforward, and affordable, so our customers always know

they got the best price. We don't use high-pressure sales tactics or every-day discounts to compel you to sign a contract. Nobody likes that.

I encourage you to visit our beautiful showroom in Brownstown to see the Victory Closets system for yourself. It's made of high-quality melamine, and solid wood soft-glide drawers. It's so easy to reconfigure the closet or pantry on your own without the use of tools. You can try this for yourself on your visit! We offer 3 attractive finishes: white, driftwood, and vintage.

We offer complimentary in-home consultations with our designer, Jacob. He'll discuss your storage needs with you, measure your space, and put together your proposal complete with a beautiful 3D rendering of your new closet. Once you settle on a design with him, we'll order the parts and

schedule your install! Time from design to install is only 3-4 weeks and install lasts only a few short hours. We ask for 50% of the cost at design agreement, and the rest upon install.

Our installer, Denny, is tidy, friendly, and professional. He'll make sure you are satisfied with everything and be sure your space is spotless. Our limited lifetime warranty guarantees your Victory Closets system for as long as you live in your home.

I'm just a quick phone call away to get the process started—717-553-7860. I hope to speak with you soon!
